Am the crown/clown, not; the crowned one, clowned at first by some critics, crowning themselves, trying to, element them me in the/thy their process, or becoming by some other method/means, or what all of this shakes out to be? The real me, I am, stands to reason, not; de'be'smash all, not; but what by reason hasn't'eth come about by cantankery, the real I am has! I be'smash atom smashers not but what reasoneth, they have not for being, but for smashing them when controlling them they can, through ultimate surrender!
